### Rocky's Story...

Meet Rocky! This charming little Jack Russell Terrier/Corgi mix is looking for his new forever home. He is around 1 year, only 25 lbs and just a wonderful little boy. While Rocky can be quite the energetic young man, he is also very sweet and affectionate -- he loves to plop on your lap and get a good rub. Rocky is a great little dog with a big dog personality and a great big heart.

Rocky is a perfect age --past all of the pesky puppy behaviors but still with plenty of energy for playing and exploring the world on walks. He loves people and other dogs too. In fact, he would do best in a home where he has a canine sibling or two who can keep him company and be his playmate. One last detail about our boy...this little one just loves to explore his surroundings and is quite the escape artist. As a result, he will need a home with a securely fenced yard. Most of all, Rocky needs a family who will keep him safe and give him the love that he so deserves. In return, he promises to be a loyal companion for years to

come.

If you're looking for a little dog to make your family complete, contact Rocky's adoption consultant, Debby at 440-364-1286 or [djg4517@gmail.com](mailto:djg4517@gmail.com) for more information. Rocky can't wait to meet his forever family!

## About The Rescue Inn

### About Our Rescue Group...

The Rescue Inn, Inc. ("TRI") is an Ohio non-profit, foster-based rescue organization dedicated to saving the lives of dogs in need.

We are run by a dedicated group of volunteers who are passionate about our four-legged friends. Our mission is to save dogs from high kill shelters and abuse/neglect situations and place those animals into loving and permanent homes. We promote responsible animal ownership and provide medical treatment, foster care and training to unwanted, abandoned, lost or surrendered animals.

Our animals are spayed/neutered, receive appropriate veterinary care and are placed into a safe, secure foster home while waiting for their permanent home. We also strive to work with other area shelters and rescues to develop a network of supporters and volunteers in order to enhance our rescue mission.

### Come Meet Our Pets...

We are a foster-based rescue and place our animals into safe, secure foster homes while awaiting permanent homes. We make every effort to schedule meet and greets with interested applicants upon request.
