

To the residents of Ward Four

At the time of this letter I am unopposed in the 2009 Ward Four Council race, which allows me to serve the residents of Ward Four for a second four year term. I plan to perform my duties, as the Ward Four Councilman, in the same manner as the past 3.5 years. I promise to work in an effective and efficient method, for you, the residents of Ward Four.

I respectfully request your vote in November and THANK YOU for allowing me to serve you for a second four year term.

Respectfully,
Lawrence R. Orlowski
Councilman Ward Four
